

# FIRST LEGO League

<http://www.firstlegoleague.org>

## Schedule

May 4	Team Reg opens
Sept 3	Game Kickoff
late Sept	Team Reg closes
early Oct	Tourney Reg
Nov-Dec	Tournament Season
Jan	Championship

## Team Costs

\$265	Reg & Field
\$395	Robot Kit (1 <sup>st</sup> year only)
\$50-100	Tournament

## The 2009 Challenge

### SMART MOVE

**Transforming Transportation:** Can *FIRST* LEGO League teams transform the way we look at transportation? The key to the 2009 "Smart Move" Challenge is accessing people, places, goods and services in the safest, most efficient way possible. In this journey, teams will consider many modes of transportation beyond their daily routine and streamline their options by making smart moves!

**Two aspects to Challenge: Robot Game & Project**

*FIRST* LEGO League (FLL) brings theory and practice together. Working in an environment that encourages inquiry and hands-on experimentation, team members fulfill roles modeled after real world project teams.

FLL Teams are comprised of:

- 3 to 10 kids, ages 9-14
- At least 1 adult coach

As a result of FLL, participants gain confidence, discover new skills and interests, and shape their futures – as they, in turn, shape ours. And it's fun!

FIRST LEGO League is coordinated in Northern California by Playing At Learning, a 501(c)(3) nonprofit. To learn more, visit <http://www.PlayingAtLearning.org>
